Blurred

E.T.A. (duplicate 1)

Make up your mind, what's your decision
Don't say that to me, looking back to before
Was it me that pushed you out the door?
Now I am the one that you want to meet
I can't shake your hand
You stared at your son but not for long
I wasn't the one that gave you up
Believe in you, son, 'cause I'm right here
You were never there
It's not like before, somewhere in the middle of it all
You're looking at me, thinking back to before
It wasn't me that pushed you out the door

Now I am the one that you want to meet
You're my newest fan
You stared at your son but not for long
I wasn't the one that gave you up
Believe in you, son, 'cause I'm right here
You were never there
You were not there, no, it's just not fair, no
Do you care? No, I don't care
You're still not here, it's not fair
You don't care, I don't care
