

No Matter What (From Whistle Down the Wind)

Donny Osmond

No matter what they tell us
No matter what they do
No matter what they teach us
What we believe is true No matter what they call us
However they attack
No matter where they take us
We'll find our own way back I can't deny what I believe
I can't be what I'm not
I know our love's forever
I know no matter what If only tears were laughter
If only night was day
If only prayers were answered
Then we would hear God say No matter what they tell you
No matter what they do
No matter what they teach you
What you believe is true And I will keep you safe and strong
And sheltered from the storm
No matter where it's barren
A dream is being born No matter who they follow
No matter where they lead
No matter how they judge us
I'll be everyone you need No matter if the sun don't shine
Or if the skies aren't blue
No matter what the ending
My life began with you I can't deny what I believe
I can't be what I'm not
I know this love's forever
That's all that matters now
No matter what No, no matter what
No, no matter what No, no matter
That's all that matters to me
No, no matter
That's all that matters to me No, no matter
That's all that matters to me
No, no matter
That's all that matters to me No, no matter what
That's all that matters to me
No, no matter what

That's all that matters to me
