

I Wanna Make You Happy

Dusty Springfield

What a nice party
And I know just why I'm feeling so new
'Cause I came along and I found you I want to make you happy tonight
I want to make you happy tonight It's just like magic
Dancing with you
While we're sharing a kiss
Oh, I've been in love
But never, no, never like this I want to make you happy tonight
I want to make you happy tonight, and every day I live, yeah
I want to give you all I have to give
Oh, I want to make you so happy, yeah, oh
