

Devil's Prey

Olle Nyman

(Verse 1)

You go down by the fire
Bound by desire
And you aim at yourself
The arrow hits your chest

(Pre-chorus)

And theyâ€™ll make you bleed
If they can, if they can!
And theyâ€™ll be the feet
That will stand on your hands
If they can.

(Chorus)

If they can, if they can
Theyâ€™ll feed you with despair
If they can, if they can
Theyâ€™ll say they are your friends
If they can! ooohohhohhohh

(Verse 2)

You fall deeper down,
To the swirl you found.
Until you face what you fear
You will stayâ€™ scared

(Pre-chorus)

And theyâ€™ll make you bleed
If they can, if they can
And theyâ€™ll be the feet
That will stand on your hands
If they can.

(Chorus)

If they can, if they can
Theyâ€™ll feed you with despair
If they can, if they can
Theyâ€™ll say they are your friends

If they can ooohohhohhohh

Oohohohohoh
