

# Black Diamond (Wicked Lester Sessions)

## Kiss

Out on the street for a living  
Picture's only begun  
Got you under their thumb  
Hit it Out on the streets for a living  
Picture's only begun  
Your day is sorrow and madness  
Got you under their thumb Who, black diamond  
Who, black diamond Darkness will fall on the city  
It seems to follow you too  
And though you don't ask for pity  
There's nothin' that you can do, no, no Who, black diamond  
Who, black diamond Out on the streets for a living  
Picture's only begun  
Your day is sorrow and madness  
Got you under their thumb Who, black diamond, yeah  
Who, black diamond
