

Senorita

The Dandies

The Dandies - Senorita

You perfect stranger
And I've got a taste for danger
And we're a perfect failure
And I was hoping hoping

You'd bring the fuel
And I'd bring the fire
And You'd take it in
And I'd take it higher
We'd slip up
and I'd get stuck
And I'd stay here with my

Senorita

You smile and shine
And I am black and white
and you bring the grey
And we get Lost

You'd bring the fuel
And I'd bring the fire
And You'd take it in
And I'd take it higher
We'd slip up
and I'd get stuck
And I'd stay here with my

Senorita
