

Holocaust

Savatage

What will 2000 bring?
The war of a billion things
When darkness seizes the lords
And darkness sends his judgment sword
They march through the battle fields
Start the destruction wheels
A scream of terror through the night
The armies do their final fight Holocaust

Final loss

Holocaust What will the end bring

To my life?

Are you poisoned by?

Are you for the night?

Are you by the night? Holocaust

Final loss

Holocaust Listen to what I say

We are coming upon the day

When toxic gas fills the air

And life on earth can't

Be found anywhere

You run, but where can you hide?

From the shelters I hear you cry

The bombs bursting in air

God help me I'm so scared! Holocaust

Final loss

Holocaust What will the end bring

To my life?

Are you poisoned by?

Are you for the night?

Are you by the night? Holocaust

Final loss

Holocaust
