

My Spirit

Lacuna Coil

Forget the war and the shame
I don't want no more
The gates of hell are waiting black and wait a little more

Where, where I go
My spirit is free I'm coming home
Where, where I go
Remember the ? let me go

With no regrets I lay down on my blame
The faith the hate it's all the same
I don't care no more
The gates of hell are waiting black and wait a little more

Where, where I go
My spirit is free I'm coming home
Where, where I go
Remember the battle let me go

? abandono la culpa
Il destino ? son una cosa ? dil inferno ?
? queste andato en el spiritu libero
Conserva mi ricordo ?

But let em go
I can feel like I'm flying
Where, where I'll go
I can feel like I'm flying
Where, where I go
