2 Unlimited

Uh

But I'm standing still, I'm standing still, I'm standing still
But I'm standing still, I'm standing still, I'm standing still

Uh

UhThe world is spinning, but I'm standing still

A voice is calling saying 'nowhere left to go'

Heartbeat

Nothing moving

Heartbeat

No-one grooving

Heartbeat

I'll be waiting

Heartbeat

Invite me to tranceGive a heart another chanceStand be kneeling, spinning me round and round

A empty feeling, I know it can't go on

Heartbeat

Nothing moving

Heartbeat

No-one grooving

Heartbeat

I'll be waiting

Heartbeat

Invite me to tranceTransport you, take you away

Far from here, far from today

Transform my time, change of heart

Another chance, another start

Transfer your pain where it hurts

To be let go, the heavy works

Transmit your love to world within

'Cause the only hope is a chance to winThe world is spinning, but I'm standing still

A voice is calling saying 'nowhere left to go'

Heartbeat

Nothing moving

Heartbeat

No-one grooving

Heartbeat

I'll be waiting

Heartbeat

Invite me to tranceGive a heart another chanceI want you to give my heart another chance
