## The Eastern Wind Symphony & James Curnow

1.

You may not have all you want or you need  
all that you have has been due to my hand,  
it can change, it can stay the same,  
who can say, who can make their claim.2.

The situation we are in at this time  
neither a good one, nor is it so unblest  
it can change, it can stay the same,  
I can say, I can make my claim.

Hail ..... Hail ..... Hail.3.

Unity's strength and all must be as one,  
confidence in you hope will reflect in me

I think everyone not as my nation for  
you are my people and there must be no change.

It can change, it can stay the same

I will say, I will make my claim.

Hail ..... Hail ..... Hail.

Hail to Power and to Glory's way.

Hail to Power and to Glory's way.

Hail to Power and to Glory's way.

Hail to Power and to Glory's way.

Day by day.(repeat verses 2 & 3)
