

# I Don't Care (So There)

## The Donnas

Met a shy guy from Knoxville, Tennessee  
High school, yum yum, gimme some Hennessey  
I threw him a ball but he didn't hit it  
Said, "Gimme a call", but he never did it I don't care, I don't care  
If you don't wanna bother with me, baby  
'Cause I don't care, I don't care  
There's better guys everywhere, so there Never gonna say that I'm sorry, I kissed him  
Guess it's not my day, he turned and I missed him  
I was workin' overtime, now I just wanna walk out  
I just tried to make him mine, it's not like he's a knockout I don't care, I don't care  
If you don't wanna bother with me, baby  
'Cause I don't care, I don't care  
There's better guys everywhere, so there I don't care, I don't care  
If you don't wanna bother with me, baby  
'Cause I don't care, I don't care  
There's better guys everywhere I don't care, I don't care  
If you don't wanna bother with me, baby  
'Cause I don't care, I don't care  
There's better guys everywhere, so there
