Always

Tom Verlaine

(Verlaine)
I... I know how easy things can rot
I need your tender spot Darling
I... I know what makes a man go dry
he cannot close his eye help me

oooooooo Darling
Mysteries come and go
but love remains the best kept secret in town

think it over
You... You know these cold-blooded streets
they ain't no place to meet Darling
You... You've heard such desperate words
You know just who they serve help me

oooooooo Darling Mysteries come and go
but love remains the best kept secret in town
