

# Underground (feat. Hugh Cornwell)

**Mousse T.**

(Ft Hugh Cornwell) Come on and milk it while you're hot  
Sell out hang out with a new set of friends  
Take the arty farty out your eyes  
Smoke this chill out enjoy the ride  
You know it's true  
You know we do need you to  
Sell a million or two  
'cause your last record sales weren't high. Oh so cheesy but we don't mind  
Let's get greedy taking it all from behind  
So cheesy but we don't care  
'cause we're running outta underground So switch the light out on the cat walk 'cause  
The pussy died long ago  
Have a drink on me and even more  
Hands up snap shot with your pants down  
You know it's true  
You know we do need you to  
Sell a million or two  
'cause your last record sales weren't high. Oh so cheesy but we don't mind  
Let's get greedy taking it all from behind  
So cheesy but we don't care  
'cause we're running outta underground Oh so cheesy but we don't mind  
Let's get greedy taking it all from behind  
So cheesy but we don't care  
'cause we're running outta underground 'cause we're running outta under running outta underground  
Running outta under running outta underground Oh so cheesy but we don't mind  
Let's get greedy taking it all from behind  
So cheesy but we don't care  
'cause we're running outta underground
