

For All We Know

Bette Midler

Sweetheart, the night is growing old
Sweetheart, my love is still untold
A kiss that is never tasted
Forever and ever is wasted For all we know, we may never meet again
Before you go, make this moment sweet again
We won't say good night until the last minute
I'll hold out my hand and my heart will be in it For all we know, this may only be a dream
We come and go like a ripple on a stream
So love me tonight, tomorrow's made for some
Tomorrow may never come, for all we know For all we know, this may only be a dream
We come and we go like a ripple on a stream
So love me tonight, tomorrow was made for some
Tomorrow may never come, for all we know
