

Bogey Music

[Paul McCartney](#)

Everybody bogey, dig that bogey beat
Man that bogey rhythm, smells so clean and sweet
Everybody bogey, bogey on to the street
Without bogey music, life is incomplete
Without bogey music, life is incomplete Everybody bogey, dig that bogey beat If you little bogeys want to sing
along
Clean your bogey act up and learn the bogey song
Without bogey music, life is incomplete
Without bogey music, life is incomplete
Without bogey music, life is incomplete Bogey music, bogey music
Bogey music, bogey music Alright, here we are now
Tonight in bogey land Bogey music, bogey music Well, when the younger bogeys, hear that bogey sound
Every little bogey, got to bogey down
Bogey man bogey, bogey man bogey
Bogey man bogey on down Bogey music, bogey music, bogey music
Bogey music, bogey music, bogey music
Bogey music, bogey man bogey on down
Bogey music All you little bogeys, I want you to sing along
Clean your bogey act up and learn the bogey song
Without bogey music, life is incomplete
You know, it is suckers Bogey music, bogey music
Bogey music, bogey music
