Always Waiting

Benjamin Booker

All it's broaching, all is broaching, all it's broaching
Said God it's working
All is searching, all is searching
Said never been so sad, said never been so sad
Fade away, I realm to said this away
I'll be there falling, I'll be there falling
That seems I'll do it that
Always paying that, always paying that
What the shit mean,
Always waiting, always waiting
So I'm not waiting, baby don't wait
I will love to see you away
I will love to see you
I'll be there falling, I'll be there falling
That seems I'll do it that
I'll be there falling, I'll be there falling
That seems I'll do it that
