

Blindspot

Oh Darling

Point my gun north
Ahead of the riot
Against all battle lines
You stay in my sight

Youâ€™re my blind spot
Youâ€™re my diamond to mine
Itâ€™s all new, itâ€™s all new

Youâ€™ve got a good one
Youâ€™ve got a good one coming

Lose direction
You release and re-boot
You roll on, you roll on and I roll on

Youâ€™ve got, a good one
Youâ€™ve got, a good one coming
Youâ€™ve got, a good one
So wise, youâ€™re still running
