Rhythm Of Life (Shake It Down)

US5

I understood the plan,
I'm gonna be the man
(You changed my history, no doubt it's plained to see)
One night is all we've got
For made to make you start
(Let's ride the riders ride, we make it through the night)Girls are you ready?
Girls are you ready for me?
Girls are you ready for love?
(now everybody dance)Don't let the rhythm die, move your body to it
Don't let the music die, put your soul into it
Don't let the rhythm die, move your body to it
Don't let the music die, put your soul into itShake it to the right (Oh)
Then move it to it
Shake it to the left (Oh)
Just get into it
Shake it to the right (Oh)
Then movie it to it
That makes the rhythm of lifeLast night I had a dream
It was a crazy seen
(they took us everywhere, the rhythm took there)
We move from all around, they had a brand new song
(they live in other way until eternity)Girls are you ready?
Girls are you ready for me?
Girls are you ready for love?
(Now everybody dance)Don't let the rhythm die, move your body to it
Don't let the music die, put your soul into it
Don't let the rhythm die, move your body to it
Don't let the music die, put your soul into itShake it to the right (Oh)
Then move it to it
Shake it to the left (Oh)
Just get into it
Shake it to the right (Oh)
Then movie it to it
That makes the rhythm of lifeSo it feels it gets into it
Girls on the club get into it
You get into it to get into it
'Cause I never heard it feels so into it
All the boys around get down with it
All the girls on the floor get down with it

You got get down with it
Get down with it
Everybody even ain't got time to quitNow it's up to you
If you change your life
So let it through
Look inside your soul, and take control
No one can deny
The rhythm of life
(let's dance, let's dance)Don't let the rhythm die, move your body to it
Don't let the music die, put your soul into it
Don't let the rhythm die, move your body to it
Don't let the music die, put your soul into itShake it to the right (Oh)
Then move it to it
Shake it to the left (Oh)
Just get into it
Shake it to the right (Oh)
Then movie it to it
That makes the rhythm of life
