

# White Lily (Home of the Brave) [Live]

**Laurie Anderson**

What Fassbinder is it?  
The one-armed man walks into a flower shop and says:  
What flower expresses days go by  
and they just keep going by endlessly  
pulling you into the future.  
Days go by  
endlessly  
Endlessly pulling you into the future.  
and the florist says:  
White Lily.
