## **God Will**

## **Lyle Lovett**

Who keeps on trusting you When you've been cheating And spending your nights on the town And who keeps on saying that he still wants youWhen you're through running around

And who keeps on loving you When you've been lying

Saying things ain't what they seemGod does

But I don't

God will

But I won't

And that's the difference

Between God and meSo who says he'll forgive you

And says that he'll miss you

And dream of your sweet memoryGod does

But I don't

God will

But I won't

And that's the difference

Between God and me
