Tonight

Lene Lovich

What a fabulous night
Look at the moon and stars all shining bright
It's a wonderful night, alright
Oh it's so heavenly
I could almost believe
You could fall in love with me
TonightThere's a place that I know
A secret place where I sometimes go
If you wanna know where we'll go there
So don't hesitate 'cause although it ain't late we still can't afford to wait
Chorus
Tonight
There will be no sorrow
Tonight
Don't think about tomorrow
Tonight we'll do what must be done
So we won't be the lonely ones
Tonight
How can we fail to fall
Tonight
Is really magical
Tonight we're just a boy and girl
The only people in the world
TonightChorus to fade
