

Attention (Album Version)

The Academy Is

Attention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one second
This table has taken a turn for the worst
Rock bottom and over the edge
Well, its not like it hurts that much anyway
Upside-down and inside-out
When I leave here Im going alone
Well, its not like, not like it hurts much anyway
Attention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one second
Did you hear what I have to? Oh, did I mention when I see you it stings like hell?
To the fact that we could have something thatll never happen
Did you hear what I have to? This balance has weighed out our hearts desire
Im trying to make it alone
Well, its not like it hurts that much anyway
Upside-down and inside out
When I leave here Im going alone
But Im dying, Im dying to touch
And its not like it, not like it hurts much anyway
Attention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one second
Did you hear what I have to? Oh, did I mention when I see you it stings like hell?
To the fact that we could have something, something
Attention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one second
Did you hear what I have to? Oh, did I mention when I see you it stings like hell?
To the fact that we could have something thatll never happen
Did you hear what I have to? Attention, attention
Upside-down and inside-out
Attention, attention
Upside-down and inside-out
