Love The One You're With

Engelbert Humperdinck

If you're down and confused
And you don't remember who you're talkin' to
Concentration slips away
'Cause your baby is so far away

[Chorus]
Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey love the one you're with

Well come on and love the one you're with
Don't be angry, don't be sad
And don't sit cryin' over the good times you had
There's a girl right to you
And she's just waitin' for something to do

[Chorus]

Turn your heartache into joy yaw'll
She's a girl, you're a boy
Get it together make it nice
You ain't gonna need anymore advice
Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey love the one you're with
Come on and love the one you're with

Do do do
