Today, Tomorrow, Forever

Agnostic Front

Who says ol' glory's gone
The pride we still carry on
Remember those led astray
Power won't fade awayToday, tomorrow, forever
Today, tomorrow, foreverUnited we stand, divided we fall
Respect you must earn
An honor for allToday, tomorrow, forever
Today, tomorrow, foreverToday, tomorrow, forever
We gotta stick together
We're down for life foreverDivided never united together
Today, tomorrow, forever
