

Girlfriend

Marie Digby

You wear your hair like it's your best accessory
And I don't want to ever have to compete with that
And I know you'd be nothing but excessively sweet
And cherish me, sing to me, love me But I can't belong to anybody else right now
Though it is not much of an excuse
I can't belong to anybody else when I've got
So much figuring out to do I don't wanna be a girlfriend
I don't wanna talk about my feelings, yeah
I don't wanna be some girlfriend, oh
I don't wanna have to explain what I'm thinking I go alone to watch stupid romance movies
And I sit wishing it was your arms wrapped around me
And I just deny that all I want is a piece of you
But I guess it's true, don't talk on the phone
Don't want attachments, don't wanna be your girlfriend I just can't belong to anybody else right now
Though it is not much of an excuse, oh
I can't belong to anybody else when I've got
So much figuring out to do I don't wanna be a girlfriend
I don't wanna talk about my feelings, yeah
I don't wanna be some girlfriend, oh
I don't wanna have to explain what I'm thinking Is it wrong for me to want you
Just for a day?
I don't want to be that kind of girl
But I can't help myself I can't belong to anybody else right now like a girlfriend
I don't wanna talk about my feelings, yeah
I don't wanna be some girlfriend, oh
I don't wanna have to explain what I'm thinking
Yeah, yeah, yeah, yeah, yeah
