Delilah

Inkubus Sukkubus

DelilahI saw the light on the night that I passed by her window
I saw the flickering shadows of love on her blindShe was my woman
As she deceived me I watched and went out of my mindMy, my, my, Delilah
Why, why, why, DelilahI could see, that girl was no good for me
But I was lost like a slave that no man could freeAt break of day when that man drove away, I was waiting
I crossed the street to her house and she opened the doorShe stood there laughing
I felt the knife in my hand and she laughed no moreMy, my, my, Delilah
Why, why, why, DelilahSo before they come to break down the door
Forgive me Delilah, I just couldn't take anymoreShe stood there laughing
I felt the knife in my hand and she laughed no moreMy, my, my, Delilah
Why, why, why, DelilahSo before they come to break down the door
Forgive me Delilah I just couldn't take anymore
Forgive me Delilah I just couldn't take anymore
