

# Sail Away

Peter Frampton

Sailing away today  
Maybe come back this way  
I don't know  
Which way I'm supposed to go  
Mama ooh, mama ooh, mama ooh  
Today  
Mama ooh  
Schooning around  
Will the sun shine on me?  
Mama ooh, mama ooh, mama ooh  
Mama ooh  
Sailing away today, I'll sail today  
Should I come back to stay  
Well, I can't see  
What you mean to me  
Mama ooh, mama ooh, mama ooh  
Mama ooh  
'Cause there's something inside  
Pushing me on, draining my pride  
Mama ooh, mama ooh, mama ooh  
(Sail away)  
Sailing away today  
Can't you come out to play?  
No more sound  
'Cept the seagulls bound to stay  
Sailing away, sail away, sailing away, today  
(Ooh, I'll sail away)  
Sailing away, sail away, sailing away  
  
(Ooh, I'll sail away)  
Sailing away, sail away, sailing away  
Sail today  
Sailing away, sail away, sailing away  
(Sail away)  
Sailing away today, ooh  
Maybe come back to stay  
I don't know  
Which way I'm supposed to go  
Sailing away, sailing away, sailing away

Sailing away, sail today, sailing away  
Well, I'm schonning around  
But will the sun shine on me?  
Sailing away, sail away, sailing away  
(Let's sail away, yeah)  
Sailing away, follow away today  
(Come on today)  
Sail away  
Sailing away, follow away, sailing today  
Yeah, today  
Sailing away, sailing away  
Follow away today  
Sailing away, sailing away, sail today  
Sailing away, follow away today  
Sailing away, sail away today  
Sail away, sail away today  
Sail away, sail away today
