

# This So-Called Miracle

Debbie Gibson

CHORUS/INTRO:

It's gonna take a miracle  
To give up my hope and get on with my life  
Oh that mystic moment  
A split-second stop  
Of my heart  
And with this miracle  
Comes unwanted reality  
'Cause this so-called miracle  
Has turned into a tragedy

VERSE 1:  
Baby, what ever did I do (I do, I do, I do...)

To make you not only turn away  
But turn, oh so far away

Never considering turning back

VERSE 2:  
I need you to know I'll never smile  
Until we reconcile (until we reconcile)

I know now that that won't happen  
Somehow I'll try and cope

But I just can't get out of my head

That glimmer of hope  
Everybody tells me I need time away from you

But your the only thing in my world

And that's the last thing I wanna do

CHORUS  
VERSE 3:  
Baby, whatever did I do

To make you not only go away

But twist every word I say

To make the tables turn.....

VERSE 4:  
You're sayin' I'm the one who's at the core

Yes, I'm the one who glanced at the door

(oh, slammed the door)

But you're the one who turned the handle

Tried to burn the candle at both ends  
At both ends you lead me

On and on and on

You really, really took me

Now you've left, my mind is gone (when you left)

CHORUS:  
And it's gonna take a miracle (it's gonna take a miracle)

To give up my hope and get on with my life

Mystic moment

A split-second stop

Of my heart

And in this miracle  
Comes unwanted reality (I don't want a reality)  
'Cause this so-called miracle  
Is really a tragedy  
BRIDGE:  
It's easy to give advice  
When your heart's not in it  
But the best thing for me to do is let go  
But somehow I get lonely  
It's hard to stand and face the crowd  
Doin' a one-woman show  
CHORUS:  
It's gonna take a miracle  
(Miracle, miracle...)  
(It would take a miracle, miracle...)  
Well everybody tells me I need time away from you  
But your the only thing in my world  
And that's not what I'm gonna do  
It's gonna take a miracle  
(It's gonna take, it's gonna take...)  
To get on with my life  
Oh, oh mystic moment (it's a mystic moment)  
A split-second stop  
Of my heart  
And in this miracle  
Comes unwanted reality  
(it's a miracle, it's a miracle)  
[I don't want a reality]  
This so-called miracle  
Just isn't my reality  
It's gonna take a miracle  
(It's gonna, it's gonna take a miracle)  
To give up my hope and get on with my life  
(It's gonna, it's gonna take a miracle)  
Mystic moment  
A split-second stop  
Of my heart  
And with this miracle (It's gonna take a...)  
Comes unwanted reality (I don't want a reality)  
This so-called miracle  
Has turned into a tragedy  
Tragedy - Doo...Who says it's a miracle? (who says it's a miracle?)  
Who says it's a miracle?  
This so-called miracle  
Is really not a miracle  
Who says it's a miracle?  
Not me, not me...  
This so-called miracle  
This so-called miracle
