

# This Time Around (Acoustic)

J.R. Aquino

I used to live everyday cleaning up mistakes  
Yeah  
Always lost never knowing which road I should take Now this time I  
I'm making things right  
Oh Oh So many times  
I fell to the floor to wonder if i ever get up again Your scared of what you don't know  
The places you fear the most inside your heart you can't control Oh Oh Ooh This time around i know  
I'll make some mistakes  
but i'm stronger than the man I was before Oh this time around i know  
Oh Oh  
this time around i know  
Oh Oh i'm gonna wake up living in a brighter day  
yeaah  
i'm taking it for granted there's no need to run away now this time I  
I'm making things right  
Oh Oh  
so many times i fell to the floor to wonder if i ever get up again i'm scared of what you dont know  
the places you feel the most inside your heart you cant control  
Oh Oh this time around i know  
i'll make some mistakes but i'm stronger than the man i was before  
Oh  
this time around i was stuck in the corner  
always fighting to find myself  
looking for the answers  
in the places that i don't belong but somehow  
i finally know now i'm scared of what you dont know  
the places you fell the most inside your heart you cant control  
but this time around i know  
i'll make some mistakes but i'm stronger than the man i was before Oh  
this time around i know  
oh oh  
this time around i know.
