

# This Is Not

## Static-X

This is not  
This is not  
This is not  
I hate this! Lines and the light stream  
Screaming by the scream  
Burning down, not me you see me suffer Haunted by your spirit  
Undead by your spit  
Taunted by yourself alive Dazed and burning state  
Hazed and spinning fate  
Dazed and burning I say, "I can't come"  
You say, "This ain't home"  
Hating this I mouth your name This is not my life  
This is not my home  
This is not me  
I hate this! This is not my life  
This is not my home  
This is not me  
I hate this! Your voice in my mind  
Come home it ain't time  
Burned down, not me you see me suffer Solace to inspire  
Lowness to my fire  
Taunted by yourself alive Dazed and burning state  
Hazed and spinning fate  
Dazed and burning I say, "I can't come"  
You say, "This ain't home"  
Hating this I mouth your name This is not my life  
This is not my home  
This is not me  
I hate this! This is not my life  
This is not my home  
This is not me  
I hate this! This is not my life  
This is not my home  
This is not me  
I hate this! This is not my life  
This is not my home  
This is not me  
I hate this! I hate this!  
I hate this!

I hate this!

I hate this!
