Some Kind of Gypsy

Stu Larsen

is it true what they're saying about me?
and that you're starting to doubt me?
and the things I doI know you wanna surround me
but you're gonna drown me
with people like youall I ask for
is a place to sleep
all I need is your lovenow they're saying I'm some kind of gypsy
and that I've been getting tipsy
with the people I needI won't deny that I'm having a good time
and that you possibly could find
some things you didn't know about me
all I ask for
is a place to sleep
all I need is your loveI need your love
I need your love
I need your love
won't you give it to me?I need your love
I need your love
I need your love
won't you give it to me?I need your love
I need your love
I need your love
won't you give it to me?
I need your love
I need your love
I need your love
won't you give it to me?I need your love
(all I ask for)
I need your love
(is a place to sleep)
I need your love
(all I need)
won't you give it to me?I need your love
(all I ask for)
I need your love
(is a place to sleep)
I need your love
(all I need)
won't you give it to me?I need your love

all I ask for
I need your love
is a place to sleep
I need your love
all I need
won't you give it to me?I need your love
all I ask for
I need your love
is a place to sleep
I need your love
all I need
won't you give it to me?
