

# I Drive By (feat. Gucci Mane & Danny Brown)

## Riff Raff

I ride by, like a driver on a nigga  
So fly, that his bitch might choose a nigga  
Ask why, gives a fuck about that nigga  
So high, we up on all you niggas  
I ride by, like a driver on a nigga  
So fly, that his bitch might choose a nigga  
Ask why, gives a fuck about that nigga  
So high, we up on all you niggas Cutting thru the traffic, limousine inspector gadget  
Rari taller than bin laden, harvard scale by fitzpatrick  
Have you seen his backyard, butterscotch beauty pageant  
If you think I ain't too famous, watch me cut you off like traffic  
Lifestyles of rich and lavish, lavender elevator  
Inside the codeine castle, watch your mouth, watch what you say  
I'm ridin on gray, i'm sitting sideways, the chinese buffet  
I'm Emily Olson, my chain's a fortune, my wrist look tight  
I just dipped my hand, my ice, my pocket  
I'm davy crocket, my arm's a rocket, on candy mustard, I'm sittin on butter  
I might pull up in east kentucky, where the fuck is Jody Husky  
I'm davy crocket, my arm's a rocket, on candy mustard, I'm sittin on butter  
I might pull up in east Kentucky, where the fuck is Jody Husky I ride by, like a driver on a nigga  
So fly, that his bitch might choose a nigga  
Ask why, gives a fuck about that nigga  
So high, we up on all you niggas  
I ride by, like a driver on a nigga  
So fly, that his bitch might choose a nigga  
Ask why, gives a fuck about that nigga  
So high, we up on all you niggas Roll my ciabatta, don't talk about maÃ±ana  
Need my shit today or Imma split you like piÃ±ata  
I'm at war with these stars, smoking on Chewbacca  
You all roll [?], wind breaker for that climate  
All these diamonds in my mouth, make it hard for me to stay quiet  
All these niggas with the drug talk, when they get caught, hope they keep tight  
Nigga not no role model, but I like to roll with models  
Smoking on that kush, while I'm counting up this au gratin  
Lux living luxurious, my bitch is bicurious  
Exuberant and foolish, I keep me a bitch clueless
