Harmonic Generator (In Session)

The Datsuns

I'm gonna push the button flick the switch today
Cause you got nothing I want
I got nothing to say
It's been 16 days since I seen your ass
Heading to the city
You think your high classA harmonic generator intermodulatorWearing next to nothing she's out of control
She likes to shake what she got from her head to her toe
She got big yellow eyes lighting up like xmas
Turning tricks baby
Electric mistressA harmonic generator intermodulator
