Say Anything

Say Anything

Here I am, on the phone again
& awkward silences on the other end
I use to know the sound of a smile
In your voice. But right now,
(right now) all I feel (All I feel)
Is the pain of the fighting starting up again.All the things we talked about,
you know they stay on my mind.
(On my mind)
All the things we laughed about,
they'll bring us through it everytime.
After time, after time.(Chorus)
Don't say a word,
I know you feel the same.
Just give me a sign.
Say anything, say anything
Please don't walk away,
I know you wanna stay
Will you just give me a sign?
Say anything, say anythingSome say that time changes
Best friends can become strangers
But I don't want that, no not for you
If you just stay with me we can make it through
So here we are again, same old argument
Now I'm wondering if things will ever change, and
When will you laugh again?
Laugh like you did back when
We make noise until 3 AM
and the neighbors would complainAll the things we talked about,
you know they stay on my mind.
(On my mind)
All the things we laughed about,
they'll bring us through it everytime.
After time, after time.(Chorus)
Don't say a word,
I know you feel the same.
Just give me a sign.
Say anything, say anything
Please don't walk away,
I know you wanna stay

Will you just give me a sign?
Say anything, say anythingI'm fallin...
I'm fallin...
I'm fallin...
Down.I'm fallin...
I'm fallin...
I'm fallin...
Down.
Down.
Down.
Dowwwnnnn.(Chorus)
Don't say a word,
I know you feel the same.
Just give me a sign.
Say anything, say anything
Please don't walk away,
I know you wanna stay
Will you just give me a sign?
Say anything, say anythingPlease don't say a word
I know you feel the same
Just give me a sign
Say anything, say anythingDon't say a word,
I know you feel the same.
Just give me a sign.
Say anything, say anything
