Hey Kid

One For The Team

Lyin' here, arm around my girl
I turn on the radio
A shame, we had to bail
You know, we put on quite a show
What am I gonna do?
I left on my answer phone
Till then, what I told you
Right now, I just don't know
And I said
Hey, kid
Don't think you gotta try
And be somebody, yeah
It happens on its own
I said it's all right
Hey
(Hey)
Kid
(Kid)
You don't get along
Trying to be nobody else
It's god damned right, you know
Every day will break
But another comes along
Won't have long to wait
And you've always got that song
It's funny when you're drunk
(Funny when you're drunk)
How everything is clear
Come, check out my bum
Can get the rock right out of here
And I said
I said it's all right
Hey
(Hey)
Kid
(Kid)
You don't get along
Trying to be nobody else
It's god damned right, you know

Feelin' so much better in this frame of mind
'Cause I've been sick
Of taking over all the good guitars
And I know
(And you know)

I'm a capable guy
I got so many things I wanted to do
And I got the chance to prove it to you
Hey, I'm lyin'
(I'm lyin')
'Cause I waited my life
And I am ready to blow
But when I do something
About the wind and rain
They start all over again
And I need some pieces from you
Hey
(Hey)
Kid
(Kid)
Don't think you gotta try
And be somebody, yeah
It happens on its own
I said it's all right
Hey
(Hey)
Kid
(Kid)
You don't get along
Tryin' to be nobody else
It's god damned right, you know
Hey
(Hey)
Kid
(Kid)
Don't think you gotta try
And be somebody, yeah
It happens on its own
I said it's all right
Hey
(Hey)
Kid
(Kid)
You don't get along

Tryin' to be nobody else
It's god damned right, you know
