

Growing in Grace

Zao

He is God, He is God
He is God, He is God
He is with us, He is God
He is with us, He is God
In His purpose, I will stand
I've been renewed by the Maker
In His purpose, I will stand
I've been renewed by Him alone
Been made by the Maker
Been bought by the Buyer
Broken by the Breaker
I am His, I am His
In His purpose, I will stand
I've been renewed by Him alone
Been made by the Maker
Been bought by the Buyer
Broken by the Breaker
I am His, I am His
In refuge and strength
Ever present help in trouble without fear
As the nations uproar and the kingdoms fall
He lifts His voice-melting
He is with us, He is God
He is with us, He is God
He is with us, He is God
He is with us, He is God
Been made by the Maker
Been bought by the Buyer
Broken by the Breaker
I am His, I am His
