

# Freedom Highway

**Mavis Staples**

March for freedom's highway  
March each and every day  
Made up my mind and I won't turn around  
Made up my mind and I won't turn around  
There is just one thing  
I can't understand my friend.  
Why some folk think freedom  
Was not designed for all men.  
...  
Yes I think I voted for the right man  
Said we would overcome.
