

Consuming Fire (New Mix)

Third Day

Set this place on fire
Send you spirit, savior
Rescue me from the mire
Show your servant favor Yesterday was the day that I was alone
Now I'm in the presence of almighty god And yes our God, he is a consuming fire
And the flames burn down deep in my soul
Yes, our God, he is a consuming fire
He reaches inside and he melts down this cold heart of stone Set this place on fire
Send your spirit, savior
Rescue me from the mire
Show your servant favor Yesterday was the day that I was alone
Now I'm in the presence of almighty god Did you realize that inside of you there is a flame?
Did you ever try to let it burn, let it burn, let it burn
