

# If You Ain't Lovin'

**Faron Young**

If you got a Cadillac boy and a forty room shack boy  
A bucket full of money and a tree full of honey  
But if you got no huggin' no smoochin' or muggin'  
Well if you ain't lovin' then you ain't livin'

If you're ridin' on the gravy train instead of walkin' down lovers lane  
You can't make hay boy you're goin' the wrong way boy  
You gotta get a little honey it's better than money  
Well if you ain't lovin' then you ain't livin'

If they call you a big man cause you got a lot of bottom land  
If you're kin to the president and if you help run the government  
But if you get no attention you better off on a pension  
For if you ain't lovin' then you ain't livin'

If you got a string of long cars and you're smoking them fourbit cigars  
You ain't so well to do unless you get a little choochy coo  
It takes a little of smackin' or your life is a lackin'  
Well if you ain't lovin' well brother then you ain't livin'
