Hyperventilating

Tami Chynn

A, a, a, aih
(Oh why, oh why)
My, my, my, my
(Tami deh pon yuh mind)
Why, oh why, oh why
(Why)
Hy, hy, hy, hy, hyperventilatingSee your smile's, got me high
And I'm begging to be part of your sky
I will fly, seven four seven, twenty-four seven
What am I saying, hyperventilating
Want it to be the game that you been playingA, a, a, aih
(All over sexy)
My, my, my, my
(You haffi wuk it, baby)
Why, oh why, oh why
(Keep me waiting)
Hy, hy, hy, hy, hyperventilatingTek yuh time, join deh line fi knock me door
Rock mi body, till u can rock it no more
An if yu ready, yu fi really mek me soar
Like a bird in the sweet summer shoreAnd if yuh never know sey dat me waan yu do
Step aside 'cuz some'in muss do you
You either will or you won't, you do or yuh don't
Better play me right in every noteA, a, a, aih
(All over sexy)
My, my, my, my
(You haffi wuk it, baby)
Why, oh why, oh why
(Keep me waiting)
Hy, hy, hy, hy, hyperventilatingOh why, oh why
Yu dey pan mi mind
Can you tell me why
(Tell Me)
Why yu dey pan me mind
(Mind)My yute, tell yu di truth
Me want everything package up inna yu suit
You deh pon me mind
And me ready feh recruit
Show me wah you got if yuh waan me saluteI know you're watching me
'Cause I been watching you

And if you didn't know, I'm ready for youA, a, a, aih
(All over sexy)
My my my my
(You haffi wuk it, baby)
Why, oh why, oh why
(Keep me waiting)
Hy, hy, hy, hy, hyperventilatingSee your smile's, got me high
And I'm begging to be part of your sky
I will fly, seven four seven, twenty-four seven
What am I saying, hyperventilating
Want it to be the game that you been playingA, a, a, aih
(All over sexy)
My, my, my, my
(You haffi wuk it, baby)
Why, oh why, oh why
(Keep me waiting)
Hy, hy, hy, hy, hyperventilatingA, a, a, aih
(All over sexy)
My, my, my, my
(You haffi wuk it, baby)
Why, oh why, oh why
(Keep me waiting)
Hy, hy, hy, hy, hyperventilatingA, a, a, aih
(All over sexy)
My, my, my, my
(You haffi wuk it, baby)
Why, oh why, oh why
(Keep me waiting)
Hy, hy, hy, hy, hyperventilating
