

About the Game

Trey Songz

It ain't about the rims on ma truck
Ain't about the ice on ma watch
Ain't about the coup on ma truck
Baby, it's about the game Ride and low
(Ride and low)
Lay back in the seats and creep
That's just how I roll With some fresh nice ones on ma feet
This is how we go
(This is how we go)
And I'm tryin' to find a chick who ain't about the duo
'Cause it ain't about that no more It ain't about the rims on ma truck
Ain't about the ice on ma watch
Ain't about the coup on ma truck
Baby, it's about the game It ain't about the shows that I f***
Ain't about the duo or ma rocks
And am lyf that I live it don't stop
Baby, it's about the game Look at me
(Look at me)
When u ask why I sit in the streets, that's who I be
Yo, I live for the duo for feelin' free They are too many other dudes
You can choose that got this luxury
But without it all
(All the haters want to hate me)
But just nuthin'
(But the ladies just want to luv me)
And they luv me for what I do It ain't about the rims on ma truck
Ain't about the ice on ma watch
Ain't about the coup on ma truck
Baby, it's about the game It ain't about the shows that I f***
Ain't about the duo or ma rocks
And am lyf that I live it don't stop
Baby, it's about the game Ride and low
(Ride and low)
Lay back in the seats and creep
That's just how I roll With some fresh nice ones on ma feet
This is how we go
(This is how we go)
And I'm tryin' to find a chick who ain't about the duo
'Cause it ain't about that no more It ain't about the rims on ma truck

Ain't about the ice on ma watch
Ain't about the coup on ma truck
Baby, it's about the gameIt ain't about the shows that I f***
Ain't about the duo or ma rocks
And am lyf that I live it don't stop
Baby, it's about the game
