

# Still The One

## Orleans

We've been together since way back when  
Sometimes I never want to see you again  
But I want you to know, after all these years  
You're still the one I want whisperin' in my ear  
You're still the one I want to talk to in bed  
Still the one that turns my head  
We're still having fun, and you're still the one  
I looked at your face every day  
But I never saw it 'til I went away  
When winter came, I just wanted to go  
wanted to go  
Deep in the desert, I longed for the snow  
You're still the one that makes me laugh  
Still the one that's my better half  
We're still having fun, and you're still the one  
You're still the one that makes me strong  
Still the one I want to take along  
We're still having fun, and you're still the one, yes you are  
Changing, our love is going gold  
Even though we grow old, it grows new  
You're still the one that I love to touch  
Still the one and I can't get enough  
We're still having fun, and you're still the one  
You're still the one who can scratch my itch  
Still the one and I wouldn't switch  
We're still having fun, and you're still the one  
You are still the one that makes me shout  
Still the one that I dream about  
We're still having fun, and you're still the one  
Still the one, yeah still the one  
We're still having fun, and you're still the one
