

What a Girl Wants

Chum

Yo, I don't know what's goin' on
But I do know one thing
We gotta make it right, aight? Man, what's going on with you?
Why you treat her like you do
When you know the girl is all about you?
Tell me, why you always lose your head?
Should find a better way to handle it
You need to stop this game before you mess around and lose Just tryna help you (What a girl wants)
What a girl wants
What a girl needs
What a girl wants
What a girl needs
(A guy to be there for her) (What a girl needs)
What a girl needs
(Oh)
What a girl wants
(Oh)
What a girl needs
(Yeah)
What a girl wants
(Honesty, love and a friend) Yeah You always coming down on her
(Why?)
Using all them fowl words
(Why?)
When you know that she'll do anything for you
Tell me, why you always lie to her?
And doing things she don't deserve
Man, if you don't stop then she'll end up leaving you I'm just tryna help you (I know what)
What a girl wants
(A girl)
What a girl needs
(Needs)
What a girl wants
(What she wants)
What a girl needs
(A guy to be there for her) (I know what)
What a girl needs
(A girl)
What a girl wants

(She needs)
What a girl needs
(In her world)
What a girl wants
(Honesty, love and a friend)(You don't know)
You don't know
What you got
(What you got)
Till it's gone
(Oh)
Then you left
(Then you left)
All alone
And she'll be up and out the door
And I'll be right there to say, " I told you so" No more
You had your chance
(Had your chance)
Take a hike
(Take a hike)
Should've been a man
(Should've been a man)
Now she's gone
(Now she's gone)
All because you were doin' wrong
Should've listened to me What a girl wants
(I told you)
What a girl needs
(What she needs)
What a girl wants
(Oh, yeah)
What a girl needs
(Is a guy to be there for her)(What she needs)
