

# Isn't It A Wonder

## Boyzone

Pray to God  
Pray to God It's a sign of the times, girl  
Sad songs on the radio  
It's a sign of the times, girl  
As the leaves begin to go But all these signs now  
Showin' on my face  
Provin' me wrong  
Takin' its place Pray to God  
(In a way that)  
That there's more that we can do, yeah  
Pray to God  
(Pray to God)  
That there's more that we can show  
More then we can do, yeah Isn't it a wonder  
As a new born baby cries  
Isn't it a wonder  
With the sweetness in my eyes Isn't it a wonder  
On the crossroads of my life  
Isn't it a wonder  
Isn't it a wonder to me  
Oh, you're all It's a way of the world when  
Wrong takes hold of right  
It's a way of the world  
In which we've all lost sight But isn't this world  
Too simple to be true  
Holdin' on  
To memories of you Pray to God  
(In a way that)  
That there's more that we can do, yeah  
Pray to God  
(Pray to God)  
That there's more that we can show  
More then we can do, yeah Isn't it a wonder  
(Isn't it a wonder)  
As a new born baby cries  
Isn't it a wonder  
(Isn't it a wonder)  
With the sweetness in my eyes Isn't it a wonder  
(Isn't it a wonder)

On the crossroads of my life  
Isn't it a wonder)  
(Isn't it a wonder)  
Isn't it a wonder That I can see a change in me  
(Changing)  
But I won't go back 'cause that's behind me  
(All behind me)  
And after all strong words are spoken  
My heart will never be, never be  
Never be, never be Isn't it a wonder  
(Isn't it a wonder)  
As a new born baby cries  
Isn't it a wonder  
(Isn't it a wonder)  
With the sweetness in my eyes Isn't it a wonder  
(Isn't it a wonder)  
On the crossroads of my life  
Isn't it a wonder  
(Isn't it a wonder)  
Isn't it a wonder That I can see a change in me  
(Isn't it a wonder)  
But I won't go back cause that's behind me  
(Isn't it a wonder)  
And after all strong words are spoken  
(Isn't it a wonder)  
My heart will never be, never be  
Never be never be
