

Always

Chuck Wicks

Verse One:

They say I don't want nothing but you babe
I play it down cause its true

Yeah

My minds been thinking bout always
Lately I've been that guy going crazy
Pacing and patiently waiting
Ready to ask you for always

Chorus:
I need you babe

Call me crazy

When i know Yes I know yes I know
This feeling will stay

Always

Verse Two:

Tell me I'm not alone down on one knee
And you want us to be complete
Wrapped in forever for always

Chorus:
I need you babe

Call me crazy

When i know Yes I know yes I know
This feeling will stay

Always

Verse Three:

So won't you save me
Don't say baby you know yes you know
You feel the same

Yeah

Chorus:
I need you babe

Call me crazy

When i know Yes I know yes I know
This feeling will stay

Always

Always
They say I don't want nothing but you babe
I play it down cause its true
