The Best Revenge

Fischerspooner

How much does it cost
To live the life of the dreams
And how long will I
Keep wondering how I could beAt what cost?
There is a price
And it may not be nice(Hey, oh)
Where is your smiling face
(Hey, oh)
Say hello to a world of disgrace
(Hey, oh)
How long will I wait
For the best revengeI am, I am, I amSo how much did you lose
To live the life of the dreams
And how does it feel
To just look at me so completeAt what cost?
There is a price
And it may not be nice(Hey, oh)
Where is your smiling face
(Hey, oh)
Say hello to a world of disgrace
(Hey, oh)
How long will I wait
For the best revengeOh, they got all the ulcers
Oh, they got all the ulcers
Oh, they got all the ulcers
Oh, they got all the ulcersHey, oh, best revenge
For the best revenge(Hey, oh)
Where is your smiling face
(Hey, oh)
Say hello to a world of disgrace
(Hey, oh)
How long will I wait
For the best revenge(Hey, oh)
Living well
(I am)
(Hey, oh)
Living well
(I am)
(Hey, oh)

Living well
For the best revengeI am, I am, I amAt what cost?
there is a price
And it may not be nice
At what cost?
there is a price
And it may not be nice
