

# Catch Me While I'm Sleeping

Pink

Dadada dadada

Dadada dadada

Dadada dadada

Dadada dadada How many times have you sat across from me  
And how many times have you told me you were leaving (ohhhh)

I'm not trying to listen

'Cause it's all the same

And Why (why)

Why are you constantly believing that I  
I could ever give you what you're needing (Ohhhh)

Baby baby please don't put your faith in me

I Don't know what to say

'Cause it's all a dream to me anyway

You can catch me while I'm sleeping darling

While I'm dreaming too

It's a lonely lonely lonely place for me baby

It must get lonely for you too And people always falling; in and out of love

And it can be pretty painful too

And maybe ohhh maybe I'm just not strong enough

Sad but true

So tell me what's the use? (Ohhh) You can catch me while I'm sleeping darling (Ohhh)

Maybe while I'm dreaming too

It's a lonely lonely lonely place for me baby (Ohhh)

It must get lonely for you too

(Catch Me When)

So catch me While I'm sleeping

(I'm in my dreams)

(Catch me when I fall asleep)

When I'm dreaming too

(Catch me when I fall asleep)

So catch me while I'm sleeping Ohhh Yeahhh Ohhh

Catch me while I'm sleepin' on

Maybe while I'm dreaming too

It's a lonely lonely lonely place for me baby (Ohhh)

It must get lonely for you too So catch me while I'm sleeping Ohhh

Maybe While I'm Dreaming too Ohhh

It's a lonely lonely lonely place for me baby (Ohhh)

It must get lonely for you too Dadada dadada

Dadada dadada

(Catch Me While I'm falling)

Dadada dadada

Dadada dadada
