

# How We End Up Alone

## Hurt

"How We End Up Alone" - HURT  
There's no More Use in Lying  
Yeah, there's no More Use in Lying  
To Tell The Truth I don't Care What You'll Do  
But, there's no More Use in Lying  
There's no More Use in trying  
When there's no More Use Denying  
I Gave You The Proof  
I don't Care What You'll Do  
We Act in Bitterness  
And then We Scream  
Our very Souls are Burning  
I would React but then My Mask would Slip and You'd See Me  
I Hate Him, You Love Me  
Together We Are Nothing  
I'm fucking Scared To Be Alone  
Then You'll See From My Way  
'cause You Will See From My Way  
That's How We End up Alone  
There's no More Use in trying  
There Was no More Use Denying  
If You Paid Your Dues  
I don't Care It Just Proves  
That's How We End up Alone  
There's no More Use in Crying  
If there's no More Use in Hiding  
You Do What You Do  
I don't Care It Just Proves  
That Nobody Seems To Care  
'Cause Nobody's Ever there  
Nobody wants To Listen  
'Cause Nobody's even there  
So We End up Alone  
If You Fear For My Way  
Well Then You'd See It From My Way  
'Cause When You See It From My Way  
Well Then You'd See It From My Way  
YOU WILL SEE IT FROM MY WAY  
'CAUSE YOU WILL SEE THINGS MY WAY  
I GAVE HER MY YOUTH JUST TO MAKE ME THE PROOF  
That's How We End up Alone  
That's How We End up Alone  
Nobody Seems To Care  
'Cause No One Is Ever there
