

Liar, Liar

A Fine Frenzy

Liar, liar, youre such a great big liar
With the tallest tales that I have ever heard
Fire, fire, you set my soul on fire
Laughing in the corner as it burns
Right between the ribs, its sinking in Oh, oh, the sirens sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown
Anyone would drown Sick and tired of this mad desire
Fluttering inside me like a hawk
Wire, wire, got my hands on wires
Will heaven help you when I get them off?
Right between the ribs, youll feel it then Oh, oh, the sirens sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown
Anyone would drown All the ships go down
Following the sound
All the ships go down Oh, oh, the siren sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown Oh, oh, the siren sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown
Anyone would drown
