

Fire

Sleeping with Sirens

Yeah (x2) You made up your mind
Right before the sound can move softly from your lips
You leave behind
A choice which once before you thought you could not resist
You give what you have when you decide that you
Keep burning like fire, it's burning you down
Sometimes they say this should feel something like fire
Till it burns you and you can't
You know you can't remain the same
Stay the same, stay the same, stay the same
I can't change
You're losing the light
Everything that was yours just does not exist
So don't even try to say
Sorry for the things in life that you might have missed
You give what you have when you decide that you
Keep burning like fire, it's burning you down
Sometimes they say this should feel something like fire
Till it burns you and you can't
You know you can't remain the same
Stay the same, although you know
They say this should feel something like fire
No, I can't change
Do what you wanna do
Keep building it higher
Keep burning it down
You lose who you are when you
Keep burning like fire, like it's all around
What do you have to prove?
I'll pray for you
Keep burning like fire, it's burning you down
Sometimes they say this should feel something like fire
Till it burns you and you can't
You know you can't remain the same
Stay the same, although you know
They say this should feel something like fire
Till it burns you and you can't
You know you can't remain the same
Stay the same, stay the same, stay the same
